A7. OPTIONAL CALLING PLANS

A7.2 *Reach Out Kentucky

A7.2.1 Description

Reach Out Kentucky is an intrastate optional calling plan available to residential customers who make Dial Station AT&T long distance calls within the State of Kentucky.

For a fixed monthly rate, a customer may use up to one hour of night/weekend toll calling, consisting of up to 60 calls, during that rate period as shown in A5.3.1.B.7.b. There is an additional minute rate applicable for night/weekend intrastate AT&T Long Distance Service calling that exceeds the initial hour in the same billing period. Calling in excess of one hour is totaled and rated using the additional minute rate. In addition, calls made during the plan's hours receive a discount off the Evening/Off-Peak rates as shown in Section A5.3.1B.1.a.(3) and A5.3.1B.1.b.(3).

The minimum charge under this plan is the fixed monthly rate as shown in A7.2.3.

A7.2.2 Regulations

A. Provision of Service

Reach Out Kentucky is provided only where billing capability permits. Customers who select this calling plan are not eligible for any additional discounts provided by any other optional calling plan for intrastate AT&T Long Distance Service calls covered by Reach Out Kentucky.

B. Discontinuance of Service

The Reach Out Kentucky plan may be discontinued by the customer upon written or telephonic notice to AT&T. In addition, AT&T will discontinue a Customer's subscription to the Plan in the following situations:

1. When AT&T is notified that the Customer has changed its primary interexchange carrier to a carrier other than AT&T after the Customer subscribed to the Plan, and the Customer has not notified AT&T that it wishes to continue such Plan. Discontinuance will be effective as of the date the Customer changed its primary interexchange carrier.
